Discussion of County Metallic Mining Ordinance

Hucker handed out a revised ordinance that was edited by the town's attorney and adapted for the town from the County's Ordinance. The County's ordinance allows for permitting of mining exploration, and operation in one of two ways. It can be done through a local agreement, or thru a Conditional Use Permit. Mining will only be allowed in an area that is zoned as I-1 (industrial 1 district). The County's ordinance can be found on the County's website. The commission decided to go through the adapted ordinance, and the County's ordinance to see if there are any further changes that might need to be made.

Any Other Business That May Come Before the Commission for Discussion

There was a comment about the speed limit on the lakes being broken. If you notice someone speeding or not conforming to other ordinances on the lake call the county to alert recreational officer. If it is possible get some identification of the boat.

Motion to adjourn by Brandt and seconded by Mazik, MC 5-0
